REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Sandhills Elementary School serves approximately 500 students in grades three and four. "Shaping Every Student for Success" is our motto and drives our mission to establish high standards by creating a learning environment which ensures student performance at the highest level.

During the 2009-2010 school year, the S.C. State Department of Education awarded SES the Red Carpet Award for creating a family-friendly atmosphere and providing customer-focused service.

In addition, for the fourth year in a row, SES earned the Palmetto Silver Award from the State Department of Education based on an increase in school-wide PASS scores.

Our continued efforts to involve parents, community, and all stakeholders in our school included an expansion of Career Week and Career Fair, Lunch 'n Learn in areas of parenting and English language learning, and a Parent Resource room available for meetings, internet use, and parenting information/books.

For the 2010-2011 school year, as part of our district realignment of schools, we look forward to becoming Sandhills Elementary Tiger Cubs, who will continue to respect learning, ourselves, our school, and others. Our school will be in its fifth year of Positive Behavior Intervention and Support (PBIS). We have established school-wide procedures and use various ways to recognize positive student behavior.

Our teachers and staff are working to create effective professional learning communities within our school. We continue to focus on our own learning to provide the highest quality instruction for our students. Teams of teachers meet weekly to discuss curriculum and assessment to determine our next instructional steps for each child.

Challenges and priorities ahead for our school community include using technology in our classrooms most effectively and also providing all students with academic support through appropriate interventions. We will continue to target literacy and to provide opportunities for authentic reading and writing in all areas.

The Sandhills Elementary staff and School Improvement Council look forward to working with students, parents, and the community to make our school the very best that it can be.
